

NATIVE AMERICAN VILLAGE DOG QUESTIONNAIRE

Please answer the following questions and return to Indian Valley Kennels. You can answer the questions on a separate piece of paper and forward it with this questionnaire. Using a software program such as "Word" is easiest if you have access to a computer. Please answer all questions as completely as you can. If the question does not apply, use N/A.

The following questions are being asked so that I can help place my puppies in a safe and healthy environment as well as with the right families based on the puppies personality and the family's lifestyle. I hope you will agree that the first priority must be the welfare of the puppies when considering placement into their new homes.

Thank You! ~ Indian Valley Kennels
